PLEASANTON, CA (10.04.12) -- Find out what's going on in Alameda County. Join host Tom Morrison for “Conversations with Supervisor Scott Haggerty” and “Supervisor's Report with Nate Miley.” These new half hour programs are airing through the month of October on Tri-Valley TV30 and 29. In addition, they may be viewed via Video on Demand anytime on our website at [www.trivalleytv.org](http://www.trivalleytv.org).

What does a County Supervisor do? What's new in Alameda County? These and other topics such as transportation, land use, and solar panels are discussed on the new episodes.

"Both of these programs are very informative and will provide residents with a better understanding of the connection between the County and Local/State government," said Melissa Tench-Stevens, Executive Director, Tri-Valley Community Television.

Supervisor Haggerty's District 1 includes the cities of Livermore, Dublin, most of the city of Fremont and unincorporated areas of East Alameda County. Supervisor Miley's Fourth District includes the City of Pleasanton, including the adjacent unincorporated Castlewood and Happy Valley areas; the Lower Hills, South Hills and Elmhurst areas of Oakland; the unincorporated communities of Castro Valley, Cherryland, and Fairview; and most of the unincorporated community of Ashland.
